Bench Naming Opportunities

SCISSORTAIL PARK

Commemorative naming is a thoughtful way to memorialize or honor a loved one, as well as observe a birthday, anniversary, new baby or graduation. In addition to being original and distinctive, this perennial gift provides essential funding to maintain the 70 urban acres of open lawns, ornamental gardens, water features, children's playground and more in Scissortail Park. To acknowledge your gift, a personalized weather-resistant plaque will be installed on the Park bench of your choosing.
